2010 Investment Schedule

The Grain Valley Chamber of Commerce is dedicated to being the primary advocate for businesses in the Grain Valley area by promoting economic development, providing educational resources and partnering with our members to improve the business environment and community image.

Your membership investment in the Grain Valley Chamber of Commerce is determined by the schedules listed below. Investments are based on two factors: number of full-time equivalent employees, and the type of firm or organization. The annual Membership cost is generally determined by the employee level which applies to your company. The General Membership box shows the schedule of these investment amounts. However, the General Membership fees do not apply to those companies that fit into one of the Special Investment Categories listed below in the box on the right. "Friend" refers to a person not representing or associated with a particular company.

General Membership (Based on full-time employees) (Two half-time employees= One full time employee)	
Friend	\$50
1 to 30 Employees	\$150
